

# Protective Internship

PROVIDING YOU WITH **PROFESSIONAL** EXPERIENCE

Headquartered in Carmel, Ind., Protective Insurance helps transportation companies protect their business through customized insurance products, an exceptional claims experience, and access to training resources, consulting, tools and technology. Protective has been in the trucking insurance space since 1930 and has proven to be a specialized partner for the transportation community.

Protective's internship program provides students with hands-on experience that prepares them for the workforce. Interns receive personalized work plans, networking and shadowing opportunities, and insurance industry Lunch & Learn sessions.

## THINK INSURANCE SOUNDS BORING?

Protective interns also participate in team building activities, company events and philanthropic projects. Not to mention all interns have access to the building's fitness center.

The experience doesn't have to end after one semester. Protective's internship program retention rate is more than 40% – these interns are either asked to extend their internship or receive full-time offers at the conclusion of the program.

If you are looking for an internship that provides you with professional experience that will kick off your career, apply to Protective today!
