

ONLINE SAFETY TRAINING

from IMPACT TRAINING SOLUTIONS

WITH THE IMPORTANCE OF SAFETY and compliance with CSA, Protective Insurance Company and Impact Training Solutions have put together a program that will save you both time and money.

Impact's program offers the most comprehensive training and development program in the industry and it is as easy to implement as turning a key.

The program delivers monthly ongoing training to every driver, supporting increased compliance, safety, productivity, personal growth and training efficiency as well as profitability. Many drivers have commented on how enjoyable the training videos are and how they are re-learning things they had forgotten.

"Since starting the program, windshield replacements have decreased by 68%, marker bulbs and signals are being replaced at the time of inspection and there has been a sharp decline in log book errors."

- David Houser | FedEx Contractor, Kansas

The training videos offered cover an array of topics, from CSA updates and reminders to fuel efficiency modules, safe lifting

and defensive driving. With a catalog of over 360 training modules and more added and/or updated each month, your drivers are sure to stay current on the information they need to be safe, compliant and successful.

The program consists of four stages :

- **PRE-ORIENTATION** – Introduction of safety culture to new drivers before they begin employment.
- **POST-ORIENTATION** – Continue the new driver orientation to reinforce behaviors that are consistent with making drivers as successful as they can be.
- **ONGOING DEVELOPMENT** – Every driver receives monthly training to support increased compliance, safety and productivity.
- **CORRECTIVE ACTION** – If a collision happens, notify Impact of the training you would like assigned to modify the behavior.

PROGRAM GOALS:

- Advanced method, manner and means
- Enhanced route efficiency
- Improved DOT compliance
- Increased safety rating
- Reduced collisions, injuries and claims
- Industry-specific material

PROGRAM BENEFITS:

- Turn-key implementation
- Fully managed, assigned, monitored and reported
- Consistent message
- Accessible on any internet-capable device
- Pro-active employee development

"Impact is convenient for the drivers and saves me a lot of time and money. Impact covers safety areas that I could not cover properly."

- Lacy Crews | FedEx Contractor, Florida
