## INSTRUCTIONS

This form must be completed and filed with the Commission in all cases resulting in death unless maximum compensation rate is stipulated. It must also be filed in any other case if there is a disagreement about earnings or if the Commission requests it.

In preparing this form, place an X in the proper squares to indicate days paid in full. Days the employee is on paid vacation leave and/or paid sick leave should be marked with an X. Leave blank squares to indicate days not paid in full for any reason. Total earnings for each pay period should be placed in the proper column. If the employee's job or pay rate was changed during the reported period, this should be noted, with an indication as to the nature of the change.

The employer code number and the carrier code number, if any, must be inserted in the proper place at the upper right-hand corner of the form.
