

# STAY ALERT FOR ANIMALS AT DAWN & DUSK!

BE PARTICULARLY ALERT DURING THE  
PEAK HOURS OF DUSK AND DAWN,  
AND DURING THE FALL MONTHS.

IF YOU SEE AN ANIMAL ON THE ROAD,  
HONK YOUR HORN WITH ONE LONG  
BLAST TO FRIGHTEN IT.

IF YOU SEE AN ANIMAL NEAR THE  
ROADWAY, SLOW DOWN AND ALERT  
MOTORISTS WITH 4-WAY FLASHERS.

IF YOU CANNOT AVOID A COLLISION,  
KEEP YOUR VEHICLE IN THE PROPER  
LANE. DO NOT SWERVE!

WHEN TRAFFIC PERMITS, USE  
HIGH-BEAM HEADLIGHTS TO SPOT  
ANIMALS ALONG THE ROADSIDE.

PAY ATTENTION TO THE PROPER SIGNS.
