

Lytx

Lytx is the world's leading provider of video telematics, analytics, safety and productivity solutions for commercial fleets. The flexible system lets you customize the solution to best fit your unique needs. Harness the power of video to see what happened, improve operational efficiency and change driver behavior.

How it works

VISIBILITY

Lytx Video Platform

The base of all Lytx solutions, the video platform provides continually recorded video that lets you quickly search and find what you're looking for.

SAFETY

Lytx Risk Detection

Machine Vision and Artificial Intelligence (MV+AI) categorizes and presents risk across your fleet; reports help you spot trends contributing to risk.

Lytx Driver Safety Program

A comprehensive solution that helps you change behavior by coaching drivers with video so they can be aware of their habits on the road.

EFFICIENCY

Lytx Fleet Tracking

A full overview of your fleet lets you manage vehicles in real time to respond faster, maximize productivity and optimize your efficiency.

PRICING

Protective Insurance customers receive a discounted rate; costs vary based on the solutions utilized.
