

## Orion Fleet Intelligence

Orion Fleet Intelligence delivers fleet management products and services you can use to control risk, contain costs, and manage daily operations. Orion's hands-on team and distinctive technology sets them apart from the competition. Through a combination of vehicle monitoring technology, data analysis, and driver coaching, fleets are able to achieve greater safety and operational improvements.

### *How it works*

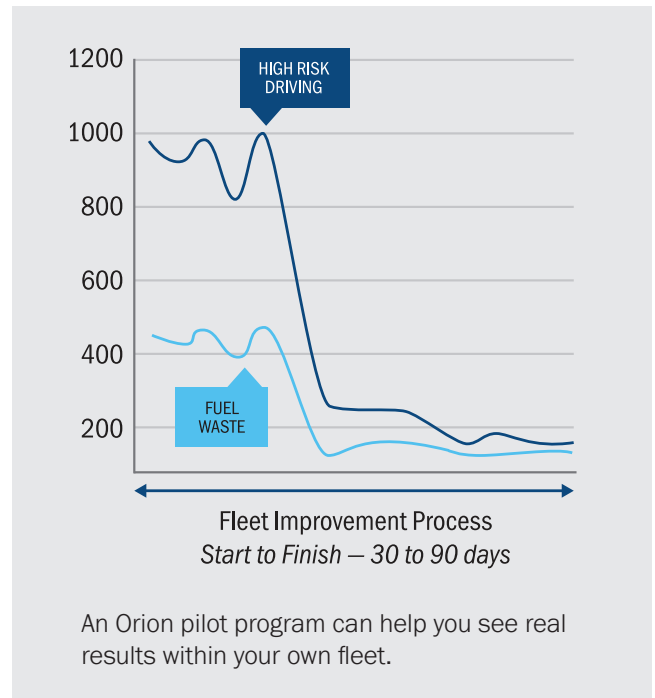

#### **PILOT PROGRAM FOR PROTECTIVE CUSTOMERS**

During a 30- to 90-day program, you will be able to assess the Orion Fleet Intelligence platform to see for yourself the impact it can have in your unique environment.

#### **YOU WILL EXPERIENCE FIRST-HAND**

- How your drivers are actually operating on the road across a variety of safety and performance metrics
- How Orion's targeted driver coaching leads to improvement in driving behavior
- How Orion's customized reports and analysis are easy for you to put into action

The program delivers rapid results that can be sustained and enhanced with a fleet-wide deployment.

#### **PRICING**

**Protective Insurance customers receive a discounted rate; costs vary based on the solutions utilized.**
