

RMJ Technologies / Predictive Coach

RMJ Technologies is an authorized reseller of many of the top telematics solutions available today, such as Geotab, Omnitrac, Surfsight, Lytx and more.

With extensive industry history and experience, RMJ works with each client to create tailored telematics solutions resulting in the following:

- Increased Productivity
- Reduced Cost
- Reduced Liability
- Safer Drivers & Fleets
- Regulatory Compliance

How it works

The specialists at RMJ Technologies will analyze your business to provide unique and comprehensive solutions for:

- GPS Vehicle Tracking with Electronic Logs
- In-Cab & Dash Cam Video
- Behavior-Based Automated Driver Training
- GPS Asset Tracking

RMJ also offers Predictive Coach, a patented behavior-based automated training system focused on the fundamentals of proactive defensive driving. When integrated with a telematics system, Predictive Coach delivers incident-based training eliminating the need for managers to intervene. Predictive Coach is proven to reduce dangerous driving behaviors such as speeding by 74%*
